Five noisy robots in the big toy shop,
Shiny and tall with antennae on the top.
Along came a girl with a penny one day,
Bought a noisy robot and took it away.

(Count how many robots are left)

Four noisy robots in the big toy shop,
Shiny and tall with antennae on the top.
Along came a girl with a penny one day,
Bought a noisy robot and took it away.

(Repeat with Three, Two, One)

There are lots of pretty flowers
Growing in Terry's garden bed.
When the rain comes down,
Up come the flowers of **red**.

There are flowers that have grown
In the warmth of the sun.
Terry tends them gently;
Up come the **yellow** ones.

There are flowers in the springtime
That wear their petals bright.
Up come the **orange** flowers --
They are a pretty sight.

See the blossoms all in bloom
In every shade and hue.
Terry weeds them carefully,
Especially the **blue**.

There are flowers in the garden.
Some are wearing **pink**.
Terry gives them lots of water
So they can take a drink.

Five yummy cookies,
All chocolate chip,
Were sitting in the cookie jar
When the table tipped!
The cookie jar tumbled,
One cookie crumbled, (*remove one cookie*)
How many cookies are left?

(Repeat with Four, Three, Two, One)

Five pairs of dirty socks on my bedroom floor
Mom washed the **blue pair** and then there were four.

Four pairs of dirty socks that belong to me
Dad washed the **red pair** and then there were three.

Three pairs dirty socks, what's a kid to do?
Grandma washed the **green pair** and then there were two.

Two pairs of dirty socks, I wear them when I run
Grandpa washed the **orange pair** and then there was one.

One pair of dirty socks, one and only one,
I washed the last pair, my favorite **yellow ones!**

No more dirty socks, we washed them all today,
But wait until tomorrow, 'cause there's more on the way.
