Once I saw a bunny

*(close fist and extend middle and index fingers)*

And a green cabbage head.

*(make a fist with other hand)*

I think I'll have some cabbage

The little bunny said.

So he nibbled and he nibbled

*(wiggle the two fingers and peck at cabbage)*

And then pricked up his ears to say

*(straighten the two fingers)*

Now I think it's time

I should be hopping on my way.

*(hop hand away)*

Funny Bunny's dad called to him, "Funny Bunny, it's time to go to the library. Please get your library book so we can go!"

"Oh, no!!" exclaimed Funny Bunny. "I don't remember where I put the book! I better look for it!"

*Everyone chant:*

Funny Bunny, where's your book?  
Is there somewhere you can look?

*Look under the furniture, one at a time, repeating the chant before each one. Make sure the book is found last.*

*Once the book is found, say:*

"I'm, so glad I found it!" said Funny Bunny! "I found so many other things, too! I think I'll put them away where they belong before I go to the library."

*Ask everyone where each item should go and put them away. Do the book last:*

"And from now on, when I get a book I'll put it on the table where I can always find it."

Funny Bunny heard his dad say, "Funny Bunny, hurry up! We need to leave for the library now."

"I better grab my book and go!" said Funny Bunny. And he did!

*Everyone chant:*

Funny Bunny, where's your book?  
Is there somewhere you can look?

There once was a rabbit named Howie  
And he always had an owie

While playing on a swing, swinging high, swinging low  
Howie jumped off too quickly and hurt his toe.  
He said, “Mommy, come help me. Look at what I’ve done!”  
And on his little toe she put bandage number one.

Howie was digging in the sandbox and his friend was standing near.  
She turned and walked away, but stepped on Howie’s ear!  
He said, “Mommy, come help me. Whatever should I do?”  
And on his little ear went bandage number two.

Howie climbed the monkey bars; he balanced to and fro.  
Then he wibbled and he wobbled and he hurt his elbow.  
He said, “Mommy come help me. Oh, please, look and see!”  
And on his little elbow she put bandage number three.

Howie’s friend threw him a ball and yelled, “Watch where it goes!”  
The ball went up and came back down right on Howie’s nose.  
He said, “Mommy come help me. Now I’m really sore!”  
And on his little nose she put bandage number four.

Howie went into his house and jumped on his bed.  
He jumped and fell to the floor, landing on his head!  
He said, “Mommy, come help me. I’m glad to be alive!”  
And on his little head she put bandage number five.

Mommy gave Howie a big hug and said, “You’re okay.”  
One, two, three, four, five owies! You’ve just had a bad day!”
