

To the tune: London Bridge

At the park we run and play
Run and play, run and play.
At the park we run and play;
Having so much fun!

At the park we swing and slide,
Swing and slide, swing and slide.
At the park we swing and slide;
Soaking up the sun!

At the park we bounce and climb,
Bounce and climb, bounce and climb.
At the park we bounce and climb;
Laughing 'til we're done!
