

[Audio recording of me reciting this fingerplay](#)

Five tiny dragons

Guard a big treasure chest.

One grew, two grew,

And so did the rest!

They grew and grew,

Higher and higher,

Until at last,

Those dragons breathed fire!

Wiggle five fingers

Cover a fist with fingers

Open fingers 1-by-1

Open other 3 fingers

Expand arms out

Reach arms up

Bring arms down

Wiggle fingers by mouth
