

SONG: THE SHARK IN THE PARK (WRITTEN BY REBECCA STRANG)

[Recording of me singing this song](#)

[Can use with these graphics](#)

To the tune: Here We Come A-wassailing

In the park there lives a shark
Who dearly loves to swing;
She'll swing until the moon appears
And all the while she'll sing;
She likes to stretch her sharky tail
Toward the bright blue sky;
For while she swings she really feels
What it must be like to fly!
