

GLUE A

Body

Bobblehead Snorlax-inspired

1. Cut out each shape by cutting along the outer edge of each shape
2. Fold the body and neck pieces along the dashed lines that looks like this:
 - a. The "bobble neck" part should look like an M from the side when folded (accordion fold)
3. Glue the animal together by matching "Glue [letter]" markings
 - a. Glue the legs & feet so the feet stick out in front of the animal
4. Glue the tail on the back of the animal - you can stick the tail straight up or off to the side, whatever you prefer
